Teachers instructions!

1) Tell me three new things you learned today? What was new? What was difficult? What was surprising? What more would you like to find out?

2) With a partner, write down ten words you know connected with ……

3) I think you need to do this again!

4) Well done!

5) This is a much better way to do it.

6) What words can you think of?

7) Think about as many words as you can about ……

8) Here is a place to practice reasoning skills.

9) Enjoy the challenge of learning Maths!

10) Label true or false.

11) Fill in the gaps.

12) Time for problems.

13) What do you think of that answer?

14) Is there another way we could answer it?

15) Is this the right place?

16) Are you enjoying yourself?

17) Match up the words by drawing lines!

18) Complete sets!
